

2018 2nd International Conference on Data Mining, Communications And Information Technology

2018/5/25-27, Shanghai, China

DMCIT 2018

Publishing & Indexing

All the registered and presented papers will be published in Journal of Physics: Conference Series (JPCS)(ISSN: 1742-6588), which will be indexed by Ei Compendex, Scopus, CPCI, IET and other academical databases.

Selected papers with great extension will be recommended to publish in international journals.

DMCIT 2017 proceeding has been included in ACM Digital Library and indexed by EI!

Call for paper

The topics are included, but not limited to:

Core Data Mining Topics:

- Data Pre-Processing
- Data Transformation and Dimensionality Reduction
- Feature Extraction and Feature Selection

Data Mining For Intelligent IT Application Topics:

- Intelligent Multi-agent Systems
- Web Intelligence
- Prediction Systems

Communication Engineering related topics:

- Communication Networks
- Wireless Communications
- Mobile Communications
